★ OKLAHOMA STAR JR., famous son of OKLAHOMA STAR P-6, the sire of WAR STAR, the former World's Champion racing gelding.

★★ LEOTA W, shown following her victory in the \$1000 Pan Zareta Handicap at Bay Meadows in 1949 in 22.7 for the 440 yards. Winning over Tidy Step and Miss Bank.

Paul Lomax, Skiatook, Okla., is building up a good band of Quarter Horses, both running and show type. He recently purchased Oklahoma Star, Jr., to head his breeding program. This grand old stallion was bred by John Dawson and is by Oklahoma Star, P-6, and out of Babe Dawson. He is 24 years of age, but Paul paid \$2,000 to own him. He is in mighty good health and shows a great deal of vigor. George Garrett is training for the Lomax ranch.

When I came by Skiatook, Okla., the other day, I found Paul Lomax in very low spirits, for Oklahoma Star, Jr., had just died at the age of 24 years. Oklahoma Star, Jr., was bred by John Dawson, Talala, Oklahoma. His sire was Oklahoma Star and his dam was Babe Dawson by Little Earl, Jr. Paul had paid \$2,000 for Oklahoma Star, Jr., last year when the breeding season was almost over. He had bred only a few mares to him this spring for several of his mares had not foaled when the horse died.

Oklahoma Star, Jr., is one of the last sons of Oklahoma Star. Some of the better known sons still alive are Star Deck, Nowata Star, Double Star, and Starway.

NOT ONLY IN OKLAHOMA — BUT EVERYWHERE YOU LOOK TODAY —

*The outlook is great...
for the all time great!*

OKLAHOMA STAR, JR. P-598

One of the few stallions with THREE AQHA CHAMPIONS to his credit. There are many more Oklahoma Star, Jr., sons and daughters following in the footsteps of these three top horses.
